## SICKLE CELL AWARENESS MONTH

2007

BY THE GOVERNOR OF THE STATE OF NORTH CAROLINA

### A PROCLAMATION

WHEREAS, sickle cell disease is an inherited blood disorder that causes pain, infection, disability, economic strain and even death among African American and other groups; and

WHEREAS, about one of every 294 African American North Carolinians is born with sickle cell disease, and one out of every 10 has sickle cell trait, meaning that he or she carries the gene for this condition; and

WHEREAS, no cure for this disease exists, though treatment is available to help those with sickle cell lead more productive and rewarding lives; and

WHEREAS, since 1973, the North Carolina Sickle Cell Syndrome Program has provided quality services throughout the State; and

WHEREAS, provision of services is a collaborative effort between departments and the State Laboratory of Public Health; and

WHEREAS, services include screening of all newborns at birth, genetic counseling, service coordination, medical reimbursement and social support for affected persons; and

WHEREAS, support for research on the treatment and management of this disorder is vital to improving the health and quality of life of persons with sickle cell disease;

NOW, THEREFORE, I MICHAEL F. EASLEY, Governor of the State of North Carolina, do hereby proclaim September 2007, as "**SICKLE CELL AWARENESS MONTH**" in North Carolina and urge our citizens to recognize and support this observance.
